

## **ST JOSEPH'S CATHOLIC PRIMARY SCHOOL: KEY STAGE 2 RESULTS 2024**

Please find a breakdown of our Key stage 2 results for 2024. I am sure that you will agree that our children have performed very well. We have also added a comparison of the children working at a 'Greater Depth' at our school with the national figures.

Each child is given a 'scaled score' from their tests. Children who achieve above 100 are deemed to have met the 'Expected Standard.' We have worked out our average scaled score and compared this with the National Average in Reading, and Mathematics. This measure is not applicable in writing as this is teacher assessed.

There are no progress figures this year as the children did not do their Key Stage 1 tests due to COVID-19.

The results are fabulous. Very well done to all the children and each member of staff who was part of the journey!
